

Real Colorado - Real Colorado Edge Coaching Symposium Saturday, February 24 @ Regis University

Dear Coach,

We would like to invite you to come to the **Fourth Annual Real Colorado Coaching Symposium**. The symposium curriculum and sessions are open for all Recreational and Competitive Coaches who are currently coaching at Real in the U5-U12 age groups. Coaching Education and Player Development are always top priorities for Real. We hope that you are able to come and meet with your peers and observe our DOC's and Staff Coaches from both Real Colorado and Real Colorado Edge run sessions with players from our club. Below you will find a schedule of field sessions and lectures we will be offering. Please RSVP adamc@edgesoccer.net no later than Wednesday, February 21. Once I receive your RSVP you will receive a confirmation email which will include more details about the symposium, including directions to Regis, indoor dome and classroom locations. Thank you for all you do for Real!
